The Inner Shift

November 14th to 25th, 2025

SRI LANKA Changes You is a purposeful Journey for the INNER SHIFT; A connection to Self under the light of A COURSE IN MIRACLES while we visit the intensely spiritual country of Sri Lanka.

This trip is designed to provide deep inner connection with Self and others, healing and joyful surprising encounters with the local sinhalese people's lifestyle. We visit inspiring locations, enjoy delicious food, meditate, pray and experience workshops. Shared silence is also present at a Buddhist Meditation center.

We include a 2 Day/2 Nights Silent Retreat

We travel with A Course in Miracles friends, students and teachers for an enhanced spiritual experience of Inner Shift and Inner Peace. We honor local spirituality -Theravada Buddhism- and Join hearts with an Open Mind.
